

MEDIA ADVISORY

interVivos hosts Back to the Future

Returning to a Prosperous Alberta

What: interVivos is hosting a discussion on the future of Alberta's Economy with a panel composed of Edmonton leaders from diverse fields.

Industry experts, representatives, and key decision makers from diverse sectors weigh in on the critical issue around the future of Alberta's economy. Facilitated by Emily Mertz of Global TV, this event gives a chance to engaged young professionals and everyday Albertans to ask questions and share their views on how to get back the future that we were promised.

Who: Alex Pagnotta, General Manager, [Panotta Industries](#)
Jann Beaston, Executive Director, [Volunteer Alberta](#)
Janet Riopel, President and CEO, [Edmonton Chamber of Commerce](#)
Kris Kasawski, Owner, [Park Power](#)
[Nathan Ip, Trustee, Edmonton Public School Board](#)
Robin Campbell, President, [Coal Association of Canada](#)
